ON-PROGRAMME LEARNING

During the 18 months on-programme learning, the learner will receive regular visits from their Skills Tutor and receive support to develop the knowledge, skills, and behaviours of the qualification.

When you start the qualification, your Skills Tutor will support you to:

- Identify what you can do already
- Agree on the standard and level you are aiming for
- Analyse what you need to learn
- Choose and agree on activities that allow you to learn what you need

FUNCTIONAL SKILLS

Level 2 English
Level 2 Maths

Functional Skills are the fundamental ENGLISH, MATHS and ICT skills that people need for their working and personal lives.

People can study for the qualifications in practical ways and apply core skills to real-life situations.

Our programmes of learning help to equip people with the essential skills they need to succeed.

DELIVERY MODEL

Your delivery model outlines the distinct and various milestones along your learner journey. Each milestone represents an activity, session, or module that you will complete in preparing to reach Gateway.

These requirements will be delivered primarily by your Skills Tutor and will support you in achieving the desired level of Knowledge, Skills and Behaviours for this qualification. These will be reviewed and tested as part of the End Point Assessment process.
